

Press release 2017

PARK LANE BUSINESS PARK – EXCELLENT OPPORTUNITY

In a market starved of good quality stock, Park Lane Business Park offers a fantastic opportunity to acquire top quality warehouse/production space on a well-established business park.

The unit is positioned close to the A38 and Junction 27 on the M1 as well as being near Kirkby in Ashfield and Sutton in Ashfield.

The unit measures 468m² (5,033ft²) with two roller shutter doors situated on a fenced, secure yard with 6 car parking spaces.

Brad Musgrove from FHP's Office and Industrial Team comments:

“With very little good quality stock on the market this unit offers a rare chance to obtain brilliant quality space within such close proximity to major transport links. There is very little on the market that can offer as much as Park Lane Business Park”.

For further information or to arrange a viewing please contact Brad Musgrove on 0115 841 4798 or brad@fhp.co.uk
