

DOUGHNOTTS OPEN IN BEESTON

FHP are pleased to have acted on behalf of Doughnotts in securing their fourth store, on High Road in Beeston, Nottingham.

The new store which was once a Thorntons and then a vape shop which fell victim to the pandemic, presented an ideal opportunity for Doughnotts to enter Beeston's thriving town centre.

FHP have been working with Doughnotts for over 5 years now having acquired their stores in Leicester, Nottingham and Lincoln. Doughnotts have a cult following across the region and have amassed a large social media following to boot, this latest store is a positive step and shows their growth aspirations as we come out of the pandemic.

Oliver Marshall who acted on behalf of Doughnotts at FHP commented:-

"Beeston is a fantastic location for the latest Doughnotts store. The shop's location and size with corner prominence is an ideal fit for the brand and the guys have pulled out all the stops with an incredible fit out."

Wade Smith, Director of Doughnotts said:-

"We opened the fourth Doughnotts store in Beeston on Saturday 30th October to a huge queue of people which was amazing to see. We weathered the pandemic and have diversified with our delivery offering but we strongly believe in the high street and are keen to grow the number of stores we have. We have loved working with Oliver at FHP on this one, the advice we have had over the years from FHP has really benefited us and we are looking forward to more exciting projects."

Doughnotts currently have stores in Nottingham city centre, Leicester, Lincoln and now Beeston town centre.
