

## Press Release 2023

## SUCCESSFUL DEAL AT MILL LANE, KIRKBY IN ASHFIELD

Acting on behalf of long-term private clients, Ketlin Maeorg and Tim Gilbertson of FHP have completed the letting of a good quality warehouse unit in Kirkby in Ashfield. The property benefits from a large yard with fenced and gated access.

Ketlin Maeorg commented:

“I am really pleased with the recent completion of Mill Lane and to have secured this letting for our client. I believe this deal is a great result for all parties and I wish the new tenants the best of luck in the future. There are not many properties of such nature currently on the market and it was an ideal fit for the new occupier and their business operations.

The level of enquiries the subject property produced proves the continuously high demand we have for good quality industrial units. I look forward to new completions and welcoming new stock to the market.”
