Corbin Archer of FHP Property Consultants comments,

"I am pleased to have achieved an excellent deal for my client and I wish the new tenant, Allison Homes, all the best in their new office space. The letting of this property shows that there is good demand for offices of such high quality. FHP have found 2024 to be a positive year for the Derbyshire office market with deals still occurring on both a freehold and leasehold basis.

We do have a number of offices that are still available so if you are interested, please do get in touch with me on the contact details below".
